Read the text carefully, and then answer the questions that follow:

The largest sporting events in the world today are the Summer and Winter Olympic Games, which are held regularly and watched on television by millions of people around the world.

The next largest sporting events are the summer and Winter Paralympic Games.

The first athletic event that was organized specifically for disabled athletes took place in 1948 CE. Sports competition was organized for British ex-soldiers who had disabling injuries. It was believed that **they** could be helped to get well again, and be given more confidence by taking an active part in sport. The event took place on the day that the 1948 Summer Olympics in London, England, opened. At that time, the Games were called the 1948 International Wheelchair Games.

Four years later, in 1952 CE, 130 athletes were invited to take part. The first Summer Paralympic Games were held in Rome, Italy, in 1960 CE. In 1976 CE, the Winter Paralympic Games became a major event on the sporting calendar, when **they** were hosted for the first time by Sweden. At first, only wheelchair athletes could take part in the Paralympics, but now there are other categories of disability including one for people with visual disabilities.

The Paralympics are scheduled to take place every four years, and it is arranged that the winter games occur two years after the summer games. The summer program now includes more sports than the first games, among **them** athletics, basketball, cycling, rugby, tennis and sailing.

Rowing is the newest sport on the Paralympic program, and certainly more sports will be added to the list in future.
